LOVING OUR VERY OWN ELDERLY

Older Americans Month is a month-long observance in the US devoted to celebrating older Americans and their contributions and raising awareness about issues related to age and aging.

We honor our military men and women on Memorial Day, and are grateful each and everyday!!!

Love Community Mission will continue to do what we can, when we can, as long as we can, through our MAIN ASSIGNS services of calls, local transport, yard cutting, senior awareness, handiwork (at our discretion), DeQuincy senior community monthly birthday greetings in DeQuincy News on the 1st week in the classified ads, sharing helpful resources, mailing occasional cards as needed, referrals and giving yearly contributions to senior community programs and senior facilities.

This poem offers our heartfelt way to honor the elderly and show our love and respect for them. May it inspire you to reach out to the elderly wherever you encounter them.

Our Treasure, (Dedicated to our Senior Citizens)

Words can't paint the beauty you carry! Your legacy that is respected by the universe
Your charisma, Your presence in our lives Your existence that fills our homes with love and care
Your words that shaped homes and communities

Your years of greatness, raising men and women with integrity that shines till today!

Beautiful and Magnificent souls you are! The wisdom you carry is amazing.

The seeds you planted through sharing wisdom and knowledge keep us strong!

Amazing dreams and successful stories are shaping our homes because you led the way.

Thank you for loving and shaping our lives.

We are sending the love and warmth to all Seniors who are so "precious" and "amazing" citizens!
