**F**or 53 years, Popeyes has had a unique menu with an emphasis on spicy fried chicken, but you'll love that taste from Popeyes in their signature items such as Popeyes Red Beans & Rice, Mac and Cheese, Cajun Rice, Mashed Potatoes & Cajun Gravy, Seafood, Boneless Wings, Ghost Pepper Wings & More. Even more delicious are their many limited-time promotions.

Conveniently open 7 days a week, the restaurant offers family dining or orders to go. In a hurry? Order on the Popeyes App and go through the drive-thru!
