

Our Hometown! Welcome To DeQuincy

Riley Smith,
DeQuincy Mayor

DeQuincy, it is an honor for me to serve you as Mayor alongside a City Council I am proud to say works hand in hand for the betterment of our community.

It is hard to believe hurricane season is upon us again. DeQuincy suffered greatly from the past seasons and we have not fully recovered. We pray we are spared as we continue to move forward with rebuilding.

We are very fortunate to have a good hospital, library, quality schools, many churches and an industrial airpark.

DeQuincy is known to be a railroad town and we are very fortunate to have the Louisiana Railroad Days Festival to remind us of our heritage. This year we were

blessed with beautiful weather making the Louisiana Railroad Days Festival a huge success.

We continue to urge all citizens to support local. This year we have seen a few small businesses open and I would encourage you to support them. I do realize at times it is difficult because of our limitations but everything we put into our local businesses, hospital, churches and organizations comes back to us with interest.

A handwritten signature in dark ink, consisting of the letters 'R' and 'S' stylized together.

RILEY SMITH, MAYOR
