

L.O.V.E. Community Mission

LOVING OUR VERY OWN ELDERLY

Board members left to right: Darlene Hooker, Heather Crozier, Rev. Marvin Durgan, Alice Danclar, Gwen Chapper, and Cathy Williams.

Congratulations to the LOVE Community Mission on celebrating 14 years of dedicated service to the DeQuincy community! Founded on February 8, 2012, and recognized with an official proclamation on May 16, 2015, our behind-the-scenes operational work continues to be a vital blessing to local seniors, youths, and families.

Operating quietly behind the scenes "By the grace of God," the LOVE Community Mission relies entirely on the generosity of dedicated donors rather than traditional fundraisers to keep "Giving" to those who need it most.

Main Assignments: Providing regular wellness and check-in calls. Arranging local transportation for those in need. Assisting with yardwork and handiwork (handled with careful discretion). Connecting community members with helpful external resources. Proudly working alongside the Calcasieu Council on Aging and supported by the Harry L. Hooker, Sr. Memorial Fund.

DeQuincy is incredibly blessed to have dedicated senior programs, and the mission proudly extends continuous love and support to: DeQuincy Care Center Recreation Department Senior Activities, DeQuincy Community Acts Foundation, High Hope Care Center, Park Place Elderly Housing and Hixson-Snyder LIFT program.

The LOVE Community Mission lifts up the DeQuincy community through ongoing prayers and daily salutations for youth & graduates. encouraging the youth to engage in community volunteer work and praying for the future blessings and success of all local graduates. We salute our veterans every single day with deep gratitude for their service and we offer continuous prayers for the healing of our land, protection for all individuals, comfort for families experiencing bereavement, and strength for all who are sick or shut-in.

"By love serve one another." — Galatians 5:13

"Dear children, let us not love with words or tongue but with actions and in truth." — 1 John 3:18
