

Pictured L-R are: Kelsey Sampey (Owner/General Manager), Phyllis Reneau (Food Manager), Avery Sampey (Administrative Assistant) and Kenny Reneau (Pit Master)

We are Sampeaux's!

In 2020, after much thought and planning, I decided to purchase a snowball trailer and start my own business. I also purchased a vacant lot east of DeQuincy, which became the home base for the trailer.

The name Sampeaux's was created by combining my married name, Sampey, with my maiden name, Reneau, resulting in the unique name we proudly carry today.

With the help of my parents, Kenny and Phyllis Reneau, and my husband, Jordan, we traveled with the trailer to festivals, community events, and private gatherings. As our business grew, so did our opportunities.

Mom and Dad, who have always been the cooks of the family, decided to join the team by adding a BBQ trailer. Their passion for great food helped expand our offerings and attract even more customers.

As demand continued to grow, it became clear that we needed a permanent location. After countless hours of hard work, dedication, and overcoming many challenges, our building and BBQ area finally became a reality.

Since our grand opening, we have grown in many ways. We have learned valuable lessons, built lasting relationships within our community, and continued to strengthen our family business.

Today, our team includes Kelsey (Owner/General Manager), Avery, Phyllis, and Kenny, and together we proudly represent everything that Sampeaux's stands for—family, hard work, the best snowballs, awesome food and BBQ, and serving our community with a smile.

Sampeaux's Barbecue & Snowballs To-Go
