

Grind Central Station Coffee

Sheree Copeland is the friendly face and proud owner of Grind Central Station Coffee. With a deep love for people and a passion for creating community, Sheree opened GCS as a space where folks can slow down, connect, and enjoy a really good cup of coffee.

Her warm presence and genuine hospitality set the tone for the cozy, welcoming atmosphere that makes GCS a favorite local spot.

When she's not at the shop, Sheree enjoys spending time with her family, serving at The Pentecostal Church of DeQuincy, shopping, and sharing life's simple joys with the people she loves most.
