

Weight Wise

Reba Smith, Personal Assistant; Taressa Fruge, Assistant Office Manager; Dr. Kathy Tracy, Physician and owner; Debbie Reeves, Office Manager; and Sue Wehn, Manager of Nurses.

Dr. Kathy Tracy and her Weight Wise Medical Weight Loss staff have been seeing patients in DeQuincy for four years. Dr. Tracy is a general practice physician who has been working in the field of bariatric medicine for the past 26 years. Her practice focuses on educating patients on healthy lifestyle choices that will help prevent diabetes and other weight related health issues. She currently has six clinics in DeQuincy, DeRidder, Moss Bluff, Lake Charles, Leesville and Sulphur.

Weight Wise is a medical weight loss program that focuses on one on one coaching, by a certified nutrition coach, and personalized weight loss programs monitored by a trained staff.

What sets Weight Wise apart from other weight loss programs is the personal care and support we provide our patients.

We would love to help you on your own weight loss journey to better health.
